

2010 EATING HEALTHY FEATURES

JULY 14 ~ JULY 27, 2010

FRUITS & VEGETABLES

We've taken the farmers market to a new level by sourcing fruits & vegetables from local and organic farms. We thump, squeeze & inspect all our produce to ensure it's at the peak of freshness & quality every day.

Organic Zucchini Squash~ 1.99/lb. (reg. 3.99/lb.)

A type of summer squash known as a "courgette." It has a broad assortment of uses from sweet zucchini bread to raw "pasta" made from zucchini strips.

Dulcinea Tuscan Melons~ 2.99/ea. (reg. 3.99/ea.)

Full, rich flavor, the brilliant orange color and the sweetness you won't find anywhere else. Filled with Folate, Vitamin C and antioxidants, these melons are simply outstanding.

California Red, Green & Black Seedless Grapes~ 1.29/lb. (reg. 1.99/lb.)

Juicy, medium-sized, crisp and crunchy, these seedless grapes offer a delightful sweet-tart flavor.

A ONE-OF-A-KIND CULINARY EXPERIENCE HUBBELL & HUDSON

VIKING COOKING SCHOOL

Asian Street Food

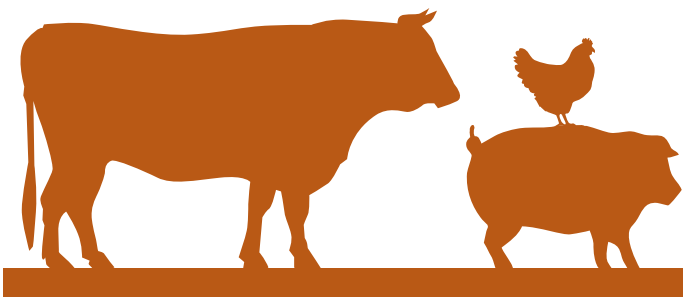

Sunday, Aug 1 • 12 pm to 3 pm • 85 per person

From Bangkok's Floating Market to the street stalls of Shanghai, skillful street food vendors practice their ancient culinary traditions from dawn to dusk. In these chaotic marketplaces, hawkers holler, woks sizzle and clatter, and people line up for fresh, authentic, perfect little one-dish specialties. Considered to be high art, street food is the most explosively flavorful fare in all of Asia. After taking this class, you'll be able to reproduce these uniquely delicious salads, skewers, noodles and dumplings in your own home.
